

Bigro 48 D

Bigro 24 100

Most important features:

- Piglets: 4 to 6 feed spaces, 2 to 3 drinking troughs, single and double sided
- Fattening pigs: 4 feed spaces, 2 drinking troughs, single and double sided
- Best results thanks to perfect water/feed ratio
- White inner surfaces for the best feed intake and hygiene
- 11mm highest quality, unbreakable plastic
- Trough manufactured from high quality type 304 stainless steel
- Stainless steel trough raised from the floor – to allow for more effective cleaning
- Ingenious anti-spill rim, prevents feed spilling
- Anti-spill rim closes completely inside the trough for optimal hygiene and no stuck ear tags
- Heavy weight feeder designed for long life

The Bigro is a variant of the Drowaco series of Verba. The Bigro is an extremely robust dry feeder with an integrated drinking trough. This drinking trough, with its stainless steel drinker nipple, is completely separate from the feeder part. The Bigro comes in various models, making it perfect for both small and large groups of animals. All feeder models are also available in double versions.

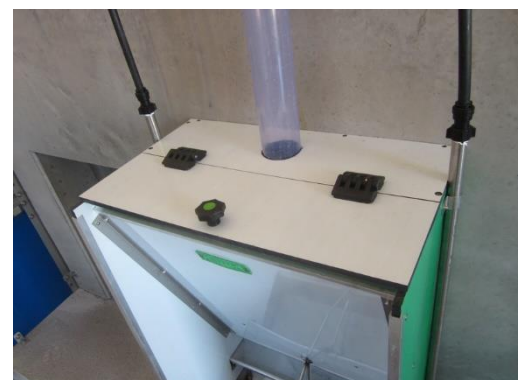

Guarantee: 7 Years on construction- and material faults; drinking nipples 1 year on construction faults. Drinking nipples are only suited for water, not for additives.

Options: Mounting angles, stainless steel U-profiles, lid, stud plate for under the feeder
